

# Dozens of lollipops gone

On tuesday, July 7th, Little Timmy broke into Uncommon Goodies in downtown Williamston, MI. He reportedly stole roughly 30 lollipops and 20 chocolate bars.

We lost about 20 dollars worth of inventory. I'm **very** angry with little Timmy.

## Little Timmy in Timeout

Little Timmy was caught by his mother on suspicion of his 50 new pieces of candy. He was taken into custody in his room, and we're currently awaiting the return of his father from work for a further ruling. His father works at *Michigan State University*, so he will be home in about 20 minutes.
